MGI Single Plastic Step

Milenco Single Plastic Step

The key to Milenco Award Winning Steps safety performance, is the fact that the base is always larger than the top - ensuring the step cannot topple over under any circumstances.

Each step is designed with large feet for extra safety.

This is highly innovative, durable and high quality. A Milenco original patented design.

Features:

Highly innovative, durable and high quality

Giant tread area for maximum safety

Highly skid resistant upper tread surface for maximum safety

Fitted with 4 rubber feet to prevent skidding on asphalt and peg holes for use on grass

This Step is produced using 100% recycled material, making it environmentally friendly

Will carry a load up to 200kg
